- Created REST API end points which facilitate to add, update and view the quiz using Spring Boot Framework.
- Use JUnit and Mockito for Unit Testing.
- Skill Used : **Spring Boot, REST API, Mockito, JUnit, Mvc Architecture.**

EXPERIENCE/INTERNSHIP

Bigstep technologies

Mar 2021 - Present

Working in various technologies including HTML, CSS, JavaScript, Node.

Crio.Do

Feb 2020 - August 2020

Design, Coding, Testing, Deployment, Maintenance.

SKILLS

Programming Languages: C++, Java, JavaScript.

IT Constructs: OOPS, Data Structure and Algorithms.

Frameworks: SpringBoot, Nodejs, MVC.

EDUCATION

Year	Degree	Institute	CGPA
2017-present	B.Tech	Swami keshvanand Institute of Technology, Jaipur	7.8%

ACCOMPLISHMENTS

Secured **911**th rank in a International Coding League 2019 contest at CodeChef.

Secured **825**th place at March Lunchtime 2019 Division 2.

Secured **523**th place at TCS CodeVita Season 9.
